

## 3 Pages made and various other edits

randall, Tuesday 06 April 2010 - 18:40:11

We have created 3 new pages for the items: "[Extension Cords](#)", "[Mag Flashlights](#)", and "[Bungee Cords/Rubber Straps](#)".

Some unlinked items, like "Blades" now link to the saw blades page or appropriate pages.

Edited the [Tape Measures](#) page to fix spelling issues, add an unlisted tape, and create two columns.
